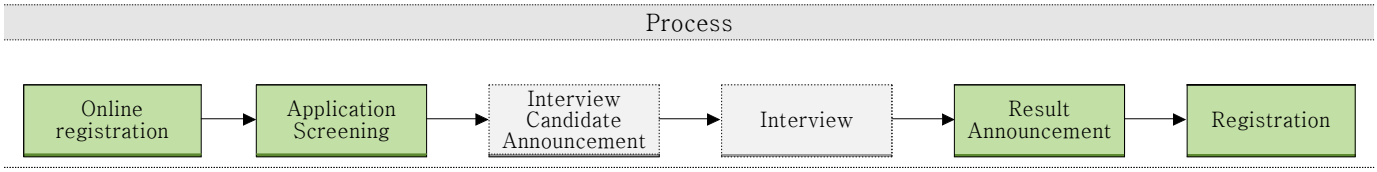
6-1 Admission Process



1) Online registration period

a) Visit the website of Yonsei University Graduate School (http://graduate.yonsei.ac.kr) and click the pop-up link to Application Portal. You will be asked to set up an account.

b) Log in to the Application Portal, complete your online application and pay the application fee

* Application Fee: 100,000 KRW
* Department of Music: Additional fee for the performance assessment: 52,000 KRW
* Application fee is non refundable.

2) Document Submission

a) All the documents should be uploaded in PDF on the Application Portal.

b) Applications with missing documents will not be considered.

c) Two letters of recommendation should be submitted by the deadline.

* Please fill up your referees' contact details on the application portal and make a request (Click "Request" button) during the application period
* Your referees will receive an email with a link that will provide them with instructions on how to submit their letters of recommendation. It is advised to inform them of this process and show them the form of the reference (graduate.yonsei.ac.kr – Admission – Applicants Guideline – Letter of Recommendation) in advance.
* It is your responsibility to check if your referee has received the email.

3) Interview

a) **It is not that all the applicants will be called for the interview. (In general, many departments don't require international students to go through the interview.)**

b) Just because you are not invited to an interview does not mean that you are not admitted to our school. In other words, you may get an offer without the interview. **Please directly consult your department office in regards to the interview.**

c) Applicants who refuse to have an interview will be rejected.

d) Some departments might conduct phone interviews for overseas applicants, so please fill up your contact information correctly.

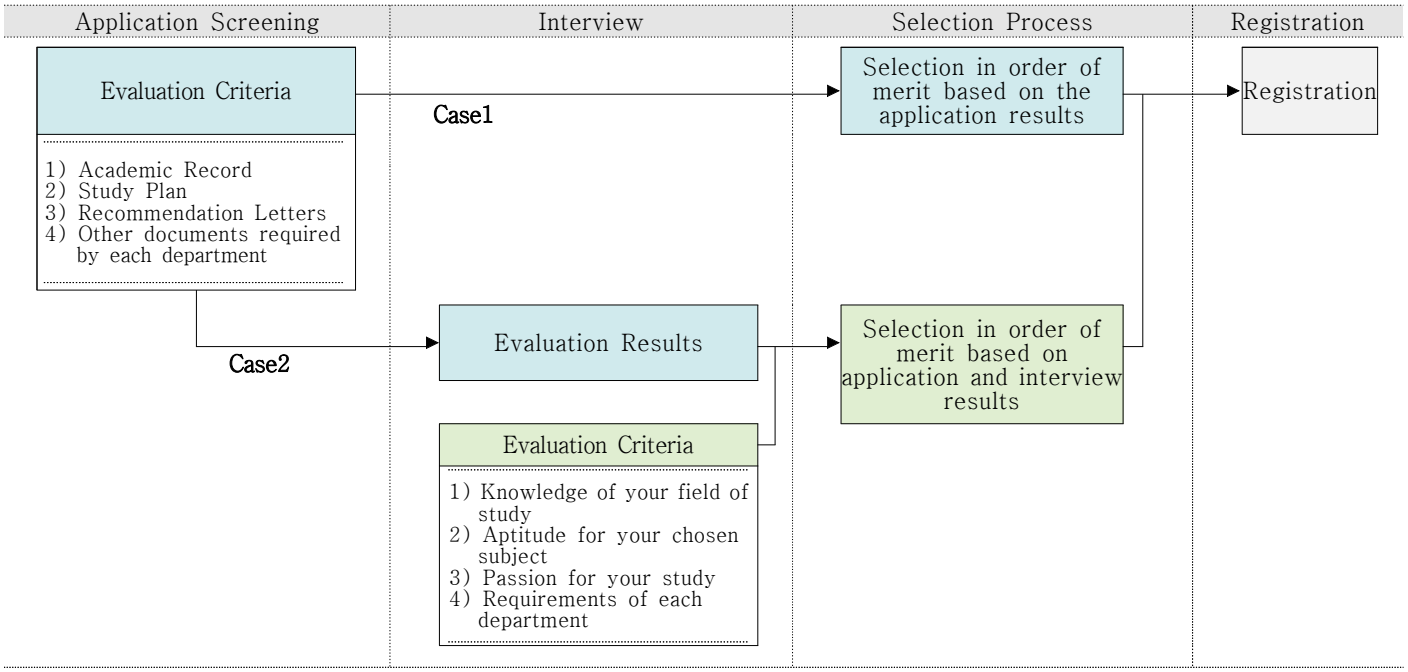
※ Refer to p.19~20 Note Ⅱ for interview dates & location

4) Result Announcement

Check your result on our website (http://graduate.yonsei.ac.kr)

The results will be divided into two categories: [Admitted], [Not Admitted]

6-2 Evaluation Process



※ Interview candidates will be notified individually via email or phone.

1) Application Evaluation

Selection in order of merit based on the application results

a) Academic Record
b) Study Plan
c) Recommendation Letters
d) Other documents required by each department

※ In principle, if some of the documents submitted by the applicant are found to be insufficient, each department shall comprehensively review the submitted documents and reflect them in evaluation and assessment (related: Articles 5 and 7 of the Graduate School Bylaws)

2) Interview Evaluation

Selection in order of merit based on application and interview results

a) Knowledge of your field of study
b) Aptitude for your chosen subject
c) Passion for your study
d) Requirements of each department

※ Candidates who refuse to attend the interview will be rejected.

3) Exceptions

a) The Department of Music will make selection in order of merit based on your application and the performance assessment results.
   ① Application evaluation
   Academic record / study plan / recommendation letters / other documents required by the Department of Music
   ② Performance assessment: Please refer to [Note I-1] [Note I-2]
b) Applicants to the Department of Chinese Language and Literature may take exams (2 hours: Classical Chinese + Chinese Language and Literature) and then have an interview.
c) Applicants to the Department of Artificial Intelligence may take Computer-programming test (1hour) and then may have interview.
